Bromyard House

As Bromyard House is now empty, the temporary boilers that provided the heating and hot water for Bromyard House are being removed over the next two weeks.

The replacement heating and hot water system for a refurbished Bromyard House will be located in the new infill block that is proposed close by.

The hard standing area that the boilers sat on will be used to house the compound for the works to Bromyard House.

The hoarding will be removed and re-erected as the perimeter fencing for the Ledbury TRA Hall.

Peterchurch House

The soft stripping out of the first ten vacant flats at Peterchurch House has started.

The soft stripping involves the removal of all the floor coverings, doors, architraves, kitchen units, bathroom fittings, toilet fittings, heating systems, asbestos in controlled conditions, and partition walls.

The Heating Interface Units (HIU) that were installed in 2017 to distribute the heating and hot water to each flat are being stored safely for re-use as part of the refurbishment of the Towers.

Ledbury Summer Fete

The Ledbury TRA will be holding its annual summer fete this weekend on Saturday 3 August, 2019 in Pencraig Way between 12noon and 4pm.

Fire Brigade at Bromyard House

While Bromyard is empty we have given permission for the London Fire Brigade to use the block for training purposes - on the days that the block is not being worked on.

So if you see a fire engine at Bromyard House and wondering why the engine is attending an empty block it will be the London Fire Brigade carrying out essential training as fire fighters rarely have the opportunity to use an empty tower block.

The London Fire Brigade suggested this and Southwark Council is happy to help.

Grass Cutting

Residents at Hoyland Close have approached the Ledbury Team over the use of strimmers on the raised grassed beds to cut the grass.

We have raised this with Southwark's Grounds Maintenance Supervisor, who has agreed to cut with the lawn mower as close as possible to the edges of the grass areas, which will leave minimal amount of strimming to be done. This should resolve the concerns.

Brimmington Park Consultation

The council's Parks and Leisure team want your views on plans to upgrade and increase the number of football pitches, create new

changing rooms, add a games area, enhance planting and improve access to the park.

Please fill in the online questionnaire by midnight on 12 September 2019 or join council's Parks and Leisure team at a public meeting on Thursday 26 September, 2019 between 4pm and 7pm at Brimington Park.

To see the plans and fill out the questionnaire visit:

Debbie Ming is the Resident Services Officer for Churchyard Row. You can contact her at debbie.ming@southwark.gov.uk or on **020 7525 1165**.

As a reminder all repairs for Churchyard Row should be reported by calling **0800 952 4444** or for the first two years to newhomes.defects@southwark.gov.uk

It would be helpful to the council that if you are reporting a repair by email you could include a photograph of what is wrong to help us work out if the problem is a defect or a repair.

Reminder on Oxygen Cylinders

One of the issues that could jeopardise safety is the use of oxygen cylinders in the blocks. This means that no visitors to the blocks will be able to come in if they require an oxygen cylinder.

From the home visits we have carried out it is clear that, at present, no current resident has the need to use an oxygen cylinder.

However no one knows what their health will be in the future. If an issue arises with your health that means that you will need to have use of an oxygen cylinder, please speak to your doctor and then let your Resident Service Officer (whose contact details are in this newsletter) know immediately so we can work with you to ensure your health needs are catered for.

Non-resident leaseholders are being asked to make sure their tenants in the block are also aware of this issue.

Warning re bottled gas

It remains vitally important residents do not bring any bottled gas or gas appliances into the tower blocks; we have been advised that the buildings will not withstand the force of a gas explosion.

Fire wardens will also be monitoring to check that no gas canisters are brought into the buildings.

Old Kent Road Ward Panel meeting

The Old Kent Road Safer Neighbourhood Team (SNT) will be holding their next quarterly meeting on Wednesday 28 August, 2019 at 7pm. It is open to all residents.

The meeting will be held at the Avondale Estate Office, Unit 1, Old Kent Road, SE1 5PD.

This is an opportunity to meet your SNT, a group of Metropolitan Police Officers dedicated to serving your community. The team is made up of officers based in our area (or ward), supported by additional officers from the wider area. The SNT works closely with local authorities, community leaders and residents to decide their policing priorities for the area. This helps them to find useful, long-term solutions to local problems, while maintaining their wider focus on reducing crime across London.

The Ward Panel meetings are therefore a good way of not only meeting the SNT but also an opportunity for residents to highlight their concerns.

Local Police Sessions

PC Twinkal Sharma, PC Adrian Moroz and PCSO Felix Adeyanju will be holding hour-long contact sessions in the Ledbury TRA Hall so residents can meet with the local Old Kent Road Ward Police team.

Date	TIME

21/08/2019	12:00-13:00

The police have requested that any crime must be reported if it is an emergency to **999**, and for non emergencies to **101**.

The team can also be contacted by emailing **oldkentroad.snt@met.police.uk** or by telephone on **020 8721 2436**, or they can be tweeted at **@MPSOldkentRoad**

Housing Updates

All residents in the tower blocks will have to leave their homes for a period whilst major strengthening and refurbishment works are carried out. For those that do not want to leave the Estate, they will have the opportunity to move into one of the empty homes in the Towers temporarily while their blocks are completed. For those who want to move from the Towers, they will continue to have priority to move.

All tenants will have the right to return to the estate.

Please note that properties are not allocated according to the time you bid. They are allocated by our colleagues in the allocations team according to Southwark Council's lettings policies.

Ledbury Towers tenants are in Band One, and the properties are allocated by how many stars each applicant has, then by application date and finally by your tenancy date.

When you bid, your position may change depending on other applicants' stars, application date or tenancy date.

If you need help with bidding or you think your application can attract stars because you or someone else in your household is working or carrying out voluntary work for more than 16 hours a week, do not forget to come in and see the Ledbury Team for help.

There are **177 properties now empty** in the Towers, following the moves of 164 tenanted households in to new homes, and 13 leaseholders selling their properties back to the council. Of course those tenants who have moved retain the right to return.

0 tenants have been made an offer of accommodation that they have bid for and are awaiting moving dates to move into their new homes. **No tenant is waiting to attend a viewing.**

There have been **193 properties refused** by tenants who have had a viewing of a new home. Many of these have already received further offers and have already moved into their new homes. No one from the Ledbury Towers is suspended from bidding if a property is refused.
