Bromyard House

Whilst Arup has delayed investigations at Bromyard House for a few weeks in order to check for asbestos in the roof and wait for a specialist scanning machine, which is now required for the work in the communal areas, other work is continuing to prepare the block for refurbishment.

The temporary boiler has been removed (pictured above) and the hard standing area will be left to act as the base for the compound for the contractors working on the block.

Emergency portable lighting

At last week's Resident Project Group, residents discussed the recent power cut that affected not only the Ledbury Estate, but areas throughout England.

The members of the Resident Project Group asked that we remind everyone as what to do if there is a power cut.

It's important to stay calm if you lose power. Most power cuts don't last very long and the network distributor will work quickly to get

things working again.

This is what they recommend if your power is off for a significant amount of time:

- Have a battery powered light handy as using candles is dangerous.
- Keep an eye on frozen food. If it defrosts you might not be able to freeze it again.
- As long as it's safe to do so, turn off electrical and electronic items like computers and TVs at the plug. Electricity can return in surges during a power cut and this can overload and damage electronic items.

Finally to report a power cut, there is a new nationwide number has been introduced.

Call **105** from your mobile or landline and the telephone service will automatically direct you to the network distributor's emergency number for your area.

Ledbury Towers Fire Risk Assessments

The last three remaining tasks from the Fire Risk Assessments undertaken at the Ledbury towers were completed this week.

They involved the replacement of bespoke doors to three store rooms, one of which is pictured below in Peterchurch House.

Ledbury TRA Fete

The TRA would like to announce that the stalls the TRA operated at the Fete raised a grand sum of £160.70.

Pictured below is Valerie Fenn from the Elmington Estate admiring the bird display.

The TRA would like to thank all those companies that sponsored the events and those individuals who made donations for the raffle and tombola.

It would be helpful to the council that if you are reporting a repair by email you could include a photograph of what is wrong to help us work out if the problem is a defect or a repair.

Reminder on Oxygen Cylinders

One of the issues that could jeopardise safety is the use of oxygen cylinders in the blocks. This means that no visitors to the blocks will be able to come in if they require an oxygen cylinder.

From the home visits we have carried out it is clear that, at present, no current resident has the need to use an oxygen cylinder.

However no one knows what their health will be in the future. If an issue arises with your health that means that you will need to have use of an oxygen cylinder, please speak to your doctor and then let your Resident Service Officer (whose contact details are in this newsletter) know immediately so we can work with you to ensure your health needs are catered for.

Non-resident leaseholders are being asked to make sure their tenants in the block are also aware of this issue.

Warning re bottled gas

It remains vitally important residents do not bring any bottled gas or gas appliances into the tower blocks; we have been advised that the buildings will not withstand the force of a gas explosion.

Fire wardens will also be monitoring to check that no gas canisters are brought into the buildings.

Old Kent Road Ward Panel meeting

The Old Kent Road Safer Neighbourhood Team (SNT) will be holding their next quarterly meeting on Wednesday 20 September, 2019 at 7pm. It is open to all residents.

The meeting will be held at the Ledbury TRA Hall, Pencraig Way, Peckham, London SE15 1SH.

This is an opportunity to meet your SNT, a group of Metropolitan Police Officers dedicated to serving your community. The team is made up of officers based in our area (or ward), supported by additional officers from the wider area.

The SNT works closely with local authorities, community leaders and residents to decide their policing priorities for the area. This helps them to find useful, long-term solutions to local problems, while maintaining their wider focus on reducing crime across London.

The Ward Panel meetings are therefore a good way of not only meeting the SNT but also an opportunity for residents to highlight their concerns.

Local Police Sessions

PC Twinkal Sharma, PC Adrian Moroz and PCSO Felix Adeyanju will be holding hour-long contact sessions in the Ledbury TRA Hall so residents can meet with the local Old Kent Road Ward Police team.

Date	TIME
04/09/2019	12:00-13:00
11/09/2019	12:00-13:00

The police have requested that any crime must be reported if it is an emergency to **999**, and for non emergencies to **101**.

The team can also be contacted by emailing **oldkentroad.snt@met.police.uk** or by telephone on **020 8721 2436**, or they can be tweeted at **@MPSOldKentRoad**.

Housing Updates

All residents in the tower blocks will have to leave their homes for a period whilst major strengthening and refurbishment works are carried out. For those that do not want to leave the Estate, they will have the opportunity to move into one of the empty homes in the Towers temporarily while their blocks are completed. For those who want to move from the Towers, they will continue to have priority to move.

All tenants will have the right to return to the estate.

Please note that properties are not allocated according to the time you bid. They are allocated by our colleagues in the allocations team according to Southwark Council's lettings policies.

Ledbury Towers tenants are in Band One, and the properties are allocated by how many stars each applicant has, then by application date and finally by your tenancy date.

When you bid, your position may change depending on other applicants' stars, application date or tenancy date.

If you need help with bidding or you think your application can attract stars because you or someone else in your household is working or carrying out voluntary work for more than 16 hours a week, do not forget to come in and see the Ledbury Team for help.

There are **177 properties now empty** in the Towers, following the moves of 164 tenanted households in to new homes, and 13 leaseholders selling their properties back to the council. Of course those tenants who have moved retain the right to return.

0 tenants have been made an offer of accommodation that they have bid for and are awaiting moving dates to move into their new homes. **No tenants are waiting to attend a viewing.**

There have been **194 properties refused** by tenants who have had a viewing of a new home. Many of these have already received further offers and have already moved into their new homes. No one from the Ledbury Towers is suspended from bidding if a property is refused.
