Ledbury Resident Project Group

Now that Arup have completed their on-site investigations at Bromyard House, we are expecting their report at the beginning of October.

At the Ledbury Resident Project Group, residents discussed moving their next meeting to coincide with the publication of the report.

Mike Tyrrell advised that he will be arranging a public meeting when the report is available. If there are significant changes to the works recommended by Arup, this will have to be costed and the results of any revised costings would also be subject to a further public meeting.

The meeting also discussed the use of Bromyard House by London Fire Brigade for training. They have advised that this will involve the use of a smoke machine and it was agreed that in order not to alarm the public, as well as Ledbury residents, residents in Ledbury Street and Commercial Way should also be advised of the time of the training exercises.

Hyperoptic is coming to the low rise blocks on the Ledbury Estate

Installation of Hyperoptic broadband in the low rise blocks on Ledbury will begin on Monday 16 September 2019.

Southwark Council is committed to improving connectivity for everyone in Southwark – including our tenants, those in privately owned or rented accommodation, business owners, and commuters and visitors.

As part of this work, the council recently signed a non-exclusive agreement with two full-fibre broadband providers: Community Fibre and Hyperoptic.

Both providers will be rolling-out ultrafast broadband connections to all of our residential properties over the next 18 to 24 months. In addition, both organisations will be providing free connections to TRA and Community Halls and delivering digital inclusion training.

These works will provide residents with a choice of full-fibre broadband providers. This will give you more choice when selecting a new broadband contract, making it easier to find a package to meet your needs and budget.

The work to install Hyperoptic to the Ledbury Towers will be included in the refurbishment works, and not as part of this scheme.

In order to install it, we have been advised that street parking will be suspended on the road in front of 2-32 Naylor Road on Tuesday 17 September, 2019.

Funding opportunity to make Southwark, Cleaner, Greener, Safer

The Cleaner Greener Safer programme has launched its 18th round of funding with a closing date of Monday 7 October, 2019 for applications.

If you have a great idea to improve your neighbourhood why not apply for funding to see if your idea can become reality. Previous funding has been used to upgrade play and sports facilities, improve waste and recycling areas, create community green spaces and provide secure cycle parking.

Residents of Hoyland Close on the Ledbury Estate made a successful bid last year.

Applications can be made online or you can find paper application forms at local libraries and other council offices.

Visit www.southwark.gov.uk/cgs for more information or email cgs@southwark.gov.uk and we can talk through your idea and the application process.

It would be helpful to the council that if you are reporting a repair by email you could include a photograph of what is wrong to help us work out if the problem is a defect or a repair.

Reminder on Oxygen Cylinders

One of the issues that could jeopardise safety is the use of oxygen cylinders in the blocks. This means that no visitors to the blocks will be able to come in if they require an oxygen cylinder.

From the home visits we have carried out it is clear that, at present, no current resident has the need to use an oxygen cylinder.

However no one knows what their health will be in the future. If an issue arises with your health that means that you will need to have use of an oxygen cylinder, please speak to your doctor and then let your Resident Service Officer (whose contact details are in this newsletter) know immediately so we can work with you to ensure your health needs are catered for.

Non-resident leaseholders are being asked to make sure their tenants in the block are also aware of this issue.

Warning re bottled gas

It remains vitally important residents do not bring any bottled gas or gas appliances into the tower blocks; we have been advised that the buildings will not withstand the force of a gas explosion.

Fire wardens will also be monitoring to check that no gas canisters are brought into the buildings.

Old Kent Road Ward Panel meeting

The Old Kent Road Safer Neighbourhood Team (SNT) will be holding their next quarterly meeting on Wednesday 2 October, 2019 at 7pm. It is open to all residents.

The meeting will be held at the Ledbury TRA Hall, Pencraig Way, Peckham, London SE15 1SH.

This is an opportunity to meet your SNT, a group of Metropolitan Police Officers dedicated to serving your community. The team is made up of officers based in our area (or ward), supported by additional officers from the wider

area.

The SNT works closely with local authorities, community leaders and residents to decide their policing priorities for the area. This helps them to find useful, long-term solutions to local problems, while maintaining their wider focus on reducing crime across London.

The Ward Panel meetings are therefore a good way of not only meeting the SNT but also an opportunity for residents to highlight their concerns.

Local Police Sessions

PC Twinkal Sharma, PC Adrian Moroz and PCSO Felix Adeyanju will be holding hour-long contact sessions in the Ledbury TRA Hall so residents can meet with the local Old Kent Road Ward Police team.

16/09/2019	12:00-13:00

The police have requested that any crime must be reported if it is an emergency to **999**, and for non emergencies to **101**.

The team can also be contacted by emailing oldkentroad.snt@met.police.uk or by telephone on **020 8721 2436**, or they can be tweeted at [@MPSOldkentRoad](https://twitter.com/MPSOldkentRoad).

Housing Updates

All residents in the tower blocks will have to leave their homes for a period whilst major strengthening and refurbishment works are carried out. For those that do not want to leave the Estate, they will have the opportunity to

move into one of the empty homes in the Towers temporarily while their blocks are completed. For those who want to move from the Towers, they will continue to have priority to move.

All tenants will have the right to return to the estate.

Please note that properties are not allocated according to the time you bid. They are allocated by our colleagues in the allocations team according to Southwark Council's lettings policies.

Ledbury Towers tenants are in Band One, and the properties are allocated by how many stars each applicant has, then by application date and finally by your tenancy date.

When you bid, your position may change depending on other applicants' stars, application date or tenancy date.

If you need help with bidding or you think your application can attract stars because you or someone else in your household is working or carrying out voluntary work for more than 16 hours a week, do not forget to come in and see the Ledbury Team for help.

There are **177 properties now empty** in the Towers, following the moves of 164 tenanted households in to new homes, and 13 leaseholders selling their properties back to the council. Of course those tenants who have moved retain the right to return.

1 tenant has been made an offer of accommodation that they have bid for and are awaiting moving dates to move into their new home. **1 tenant is waiting to attend a viewing.**

There have been **194 properties refused** by tenants who have had a viewing of a new home. Many of these have already received further offers and have already moved into their new homes. No one from the Ledbury Towers is suspended from bidding if a property is refused.
