## Weekly newsletter

18 October 2019

## Arup Report will shortly be available

We have been advised that the Arup report will be available in the week commencing Monday 21 October 2019.

We are not sure of the exact date it will be received, but it will definitely be by Thursday 24 October 2019, as we have a public meeting that night for Arup to explain their findings. As soon as the report is available it will be posted on our webpage [www.southwark.gov.uk/ledbury](http://www.southwark.gov.uk/ledbury) and copies will be available in the TRA Hall.

Arup have been carrying out investigation works (pictured below) at Bromyard since the block was emptied in April, in order to finalise the drawings and specification of works required to strengthen the blocks.

Once the report is received, the recommendations from Arup will have to be costed. This will highlight whether there are any changes that have a negative or positive effect on the current estimated costs of around £8million per block.

The costs will then be discussed by the Ledbury Resident Project Group at their November 2019 meeting and the outcome of the discussions will be reported back to all residents and former residents through this newsletter.

It would be helpful to the council that if you are reporting a repair by email you could include a photograph of what is wrong to help us work out if the problem is a defect or a repair.

### Reminder on Oxygen Cylinders

One of the issues that could jeopardise safety is the use of oxygen cylinders in the blocks. This means that no visitors to the blocks will be able to come in if they require an oxygen cylinder.

From the home visits we have carried out it is clear that, at present, no current resident has the need to use an oxygen cylinder.

However no one knows what their health will be in the future. If an issue arises with your health that means that you will need to have use of an oxygen cylinder, please speak to your doctor and then let your Resident Service Officer (whose contact details are in this newsletter) know immediately so we can work with you to

ensure your health needs are catered for.

Non-resident leaseholders are being asked to make sure their tenants in the block are also aware of this issue.

### Warning re bottled gas

It remains vitally important residents do not bring any bottled gas or gas appliances into the tower blocks; we have been advised that the buildings will not withstand the force of a gas explosion.

Fire wardens will also be monitoring to check that no gas canisters are brought into the buildings.

## Housing Updates

All residents in the tower blocks will have to leave their homes for a period whilst major strengthening and refurbishment works are carried out. For those that do not want to leave the Estate, they will have the opportunity to move into one of the empty homes in the Towers temporarily while their blocks are completed. For those who want to move from the Towers, they will continue to have priority to move.

All tenants will have the right to return to the estate.

Please note that properties are not allocated according to the time you bid. They are allocated by our colleagues in the allocations team according to Southwark Council's lettings policies.

Ledbury Towers tenants are in Band One, and the properties are allocated by how many stars each applicant has, then by application date and finally by your tenancy date.

When you bid, your position may change depending on other applicants' stars, application date or tenancy date.

If you need help with bidding or you think your application can attract stars because you or someone else in your household is working or carrying out voluntary work for more than 16 hours a week, do not forget to come in and see the Ledbury Team for help.

There are **177 properties now empty** in the Towers, following the moves of 164 tenanted households in to new homes, and 13 leaseholders selling their properties back to the council. Of course those tenants who have moved retain the right to return.

This week, one tenant is awaiting a date to move into their new home. One tenant is waiting to attend a viewing.

There have been **194 properties refused** by tenants who have had a viewing of a new home. Many of these have already received further offers and have already moved into their

new homes. No one from the Ledbury Towers is suspended from bidding if a property is refused.
