Strengthening option for the Ledbury Towers

The works recommended by Arup to strengthen the towers will mean that the rooms of the flats will be smaller, especially for flats that are on the 8th to 13th floors; and ceiling heights will be lower.

We want to ensure residents understand how it will affect their homes, so we have been preparing a flat in Sarnsfield House for residents to visit to see the implications.

All the rooms with an outside wall will be smaller along that wall by about 90mm and the ceiling will be 300mm lower.

The pictures show the works in progress. As

soon as the flat is ready we will be letting you know when you can see it.

If you want a reminder of what the options were, they are on display in the TRA or they can be found on the Ledbury webpage at www.southwark.gov.uk/Ledbury

Bromyard House – Temporary Boiler site

The works are almost completed to restore the site used to house the temporary boilers for Bromyard House to open space.

This week the damaged walls are being replaced, before the area can then be landscaped with grass.

Ledbury TRA General Meeting

There will be a general meeting open to all Ledbury Estate residents on Monday 10 February, 2020 at 7pm in the Ledbury TRA Hall in Pencraig Way.

The guest speakers will be Cllr Kieron Williams, the Cabinet Member for Housing and Modernisation, and Michael Scorer, the Strategic Director for Housing and Modernisation.

It would be helpful to the council that if you are reporting a repair by email you could include a photograph of what is wrong to help us work out if the problem is a defect or a repair.

Reminder on Oxygen Cylinders

One of the issues that could jeopardise safety is the use of oxygen cylinders in the blocks. This means that no visitors to the blocks will be able to come in if they require an oxygen cylinder.

From the home visits we have carried out it is clear that, at present, no current resident has the need to use an oxygen cylinder.

However no one knows what their health will be in the future. If an issue arises with your health that means that you will need to have use of an

oxygen cylinder, please speak to your doctor and then let your Resident Service Officer (whose contact details are in this newsletter) know immediately so we can work with you to ensure your health needs are catered for.

Non-resident leaseholders are being asked to make sure their tenants in the block are also aware of this issue.

Warning re bottled gas

It remains vitally important residents do not bring any bottled gas or gas appliances into the tower blocks; we have been advised that the buildings will not withstand the force of a gas explosion.

Fire wardens will also be monitoring to check that no gas canisters are brought into the buildings.

Local Police Sessions

PC Twinkal Sharma, PC Adrian Moroz and PCSO Felix Adeyanju will be holding hour-long contact sessions in the Ledbury TRA Hall so residents can meet with the local Old Kent Road Ward Police team.

Housing Updates

All residents in the tower blocks will have to leave their homes for a period while work is carried out, regardless of which future option is agreed upon.

All tenants will have the right to return to the estate.

Please note that properties are not allocated according to the time you bid. They are allocated by our colleagues in the allocations team according to Southwark Council's lettings policies.

Ledbury Towers tenants are in Band One, and the properties are allocated by how many stars each applicant has, then by application date and finally by your tenancy date.

When you bid, your position may change depending on other applicants' stars, application date or tenancy date.

If you need help with bidding or you think your application can attract stars because you or someone else in your household is working or carrying out voluntary work for more than 16 hours a week, do not forget to come in and see the Ledbury Team for help.

There are **179 properties now empty** in the Towers, following the moves of 165 tenanted households in to new homes, and 14 leaseholders selling their properties back to the council. Of course those tenants who have moved retain the right to return.

One tenant is awaiting a date to move into their new home.

There have been **196 properties refused** by tenants who have had a viewing of a new home. Many of these have already received further offers and have already moved into their new homes. No one from the Ledbury Towers is suspended from bidding if a property is refused.

The Tenants and Residents' Association and the Ledbury Action Group agreed the appointment of Neal Purvis from Open Communities as the Independent Tenant and Leaseholder Advisor for the Ledbury Estate.
