Statement of reasons

Controlled parking zone 'G' review

*The London Borough of Southwark (Parking places) (CPZ 'G') (No. 1) Order 20***
*The London Borough of Southwark (Doctors' parking places) (No. *) Order 20***

'G' review

Controlled parking zone 'G' covers London Bridge & West Bermondsey ward and North Bermondsey ward, in the London Borough of Southwark.

The strategic parking project programme included a review of section of the Bermondsey 'G' parking zone to assess the times of operation of the zone, in response to a scoping consultation which was undertaken in 2018 asking if any changes were required (65% of those who responded wanted the current parking restrictions to be amended; with 61% stating that they struggle to park on a Saturday).

This controlled parking zone covers Shad Thames and Bermondsey station. With the Jubilee Line linking directly into central London and the rate of development over the recent years the area is likely to have seen increased parking pressure in recent years and this is a key theme of the additional comments received in the consultation.

It was agreed at the meeting held 17 December 2019 that the Cabinet Member for Environment, Transport and the Climate Emergency approves the following recommendation:

*Make changes to the existing operational times (Monday to Friday, 8.30am to 6.30pm) of the Bermondsey parking zone 'G' to **Monday to Sunday 8.30am to 11.00pm***

Additional notes:

- The review identified locations within the zone where modifications are considered necessary to consolidate preceding Traffic Orders and their amendments. An example being, the change in street name from John Felton Close to Sugar Lane.
- Doctors only parking places, which were listed within the parent Traffic Order of zone 'G', have been separated into their own Traffic Order – according to updated practice.
- No changes have been made to parking bay lengths throughout the zone.
