Dear Resident

Cathay Street and Paradise Street – New Homes Update

The council remain committed to work with residents on our programme during this period of uncertainty and will follow the advice issued by Central Government as to the precautionary measures and action to take to ensure that residents, staff, and partners are protected from the Covid-19 (Coronavirus) Therefore, we're adapting the way we consult for the foreseeable future to remove unnecessary social contact.

Our long term commitment to building 11,000 new council homes means that the programme for delivery of these homes must continue so that there are new homes that will continue to meet the increasing housing need in our borough.

To ensure you are kept up-to-date with what we are doing we have created a Pynfolds Estate Consultation Hub which will be one of the ways in which we communicate with you: <https://consultations.southwark.gov.uk/housing-community-services-department-community-engagement-team/pynfolds-estate-proposed-homes>

On the Consultation Hub you will find a summary of the feedback we have received from you so far, suggestions for improving the estate and the next steps for the project.

We received 24 feedback responses from you about the proposal to build new homes since we wrote to you in October 2019. But we hope to hear from you as the project progresses.

Yours faithfully
