Dear Resident

Fenwick Road – New Homes Update

The council remain committed to work with residents on our programme during this period of uncertainty and will follow the advice issued by Central Government as to the precautionary measures and action to take to ensure that residents, staff, and partners are protected from the Covid-19 (Coronavirus) Therefore, we're adapting the way we consult for the foreseeable future to remove unnecessary social contact.

Our long term commitment to building 11,000 new council homes means that the programme for delivery of these homes must continue so that there are new homes that will continue to meet the increasing housing need in our borough.

To ensure you are kept up-to-date with what we are doing we have created a Fenwick Road Consultation Hub at www.southwark.gov.uk/fenwickroadimprovements which will be one of the ways in which we communicate with you.

We did not receive any feedback about the proposal to build new homes when we wrote to you in October 2019 but we hope to hear from you as the project progresses.

We will write to you again with details of how to join the project group and anticipate that this will be set up during summer 2020. Please see the Fenwick Road consultation hub for further details and please email NHDTPHase5Consultation@southwark.gov.uk if you have any questions.

Yours faithfully

Rachel Askew
