Statement of reasons

Stoney Street permanent road closure

*The London Borough of Southwark (Prescribed routes) (Stoney Street) Traffic Order 202**

The scheme proposes a permanent road closure in part of Stoney Street (within the Borough & Bankside ward), in the London Borough of Southwark.

The purpose of this scheme is to implement a permanent 'at any time' 'no motor vehicles' restriction with signs and permanent barriers in the part of Stoney Street which lies between its junction with Park Street and its junction with the Transport for London (TfL) red-route boundary in Stoney Street (a point 12 metres north-west of the north-western kerb-line build-out of Southwark Street) to improve pedestrian safety.

There will be no access to Stoney Street from Southwark Street or from Park Street for any motor vehicles, which include emergency service vehicles.

Additionally, an existing 'one-way' operation in that part of Stoney Street (between the south-eastern kerb-line of Park Street its junction with Southwark Street), will be removed as it is now redundant.
