Residents' Newsletter

Welcome to your latest newsletter

As you are aware ENGIE is working in partnership with Southwark Council to build new council homes at Meeting House Lane.

Please see overleaf for our latest update.

Ongoing brickwork

Contact Us...

If you have a query about the works being undertaken or would like to report an emergency during our working hours (**Monday-Friday, 8am-5pm**) please contact the ENGIE Site Team as detailed below.

If you need to report an emergency out of hours, or at the weekend, please call us on **0333 121 0067**.

Assistant Site Manager,
Amina Mabifa - 07584 114 373

Senior Site Manager,
Brendan Byrne - 07583 070 414

Brick by brick...

We are pleased to announce that we have now completed pouring concrete for all slabs and upstands.

We are continuing to erect brickwork to the building and we are progressing nicely.

Drainage works are planned to start at the end of this month.

The road closure went very smoothly and we would like to thank everyone for their cooperation.

To ensure we mitigate some of the delay caused by the COVID-19 lockdown and the need to maintain social distancing on site, we have been granted extended working hours **(8am - 7pm, Monday to Friday and 8am - 5pm, Saturdays)** by Southwark Council's Environmental Protection Team.

We will only carry out works in the extended period when it is critically required and benefits the completion of the development.

All for charity...

ENGIE showed its support for Macmillan's Coffee Morning Day on 25th September by donating packs of muffins to the TRA.

Ongoing brickwork

ENGIE is a considerate constructor

We pride ourselves on being an Associate Member of the Considerate Constructors Scheme (CCS) which helps to improve the image of the construction industry.

All our sites are continuously reviewed by the CCS to monitor how respectful and responsible we are within the communities where we undertake works.

As part of our ongoing commitment to the objectives of the CCS we ensure the highest levels of safety are maintained across our sites. We therefore ask that you explain to your children how dangerous construction sites can be and should not be played on at any time.
