# Residents' Newsletter

## Welcome to your latest newsletter

ENGIE is working in partnership with Southwark Council to build new council homes at Meeting House Lane. Please see overleaf for the latest update on the works being undertaken.

New community centre piling - Phase 2

## Contact Us...

If you have a query about the works being undertaken or would like to report an emergency during our working hours (**Monday-Friday, 8am-5pm**) please contact the ENGIE Site Team as detailed below.

If you need to report an emergency out of hours, or at the weekend, please call us on **0333 121 0067**.

Assistant Site Manager,  
Amina Mabifa - 07584 114 373

Senior Site Manager,  
Brendan Byrne - 07583 070 414

## Phase 2 is full steam ahead...

As part of our first phase we have completed all window installations. Roofing works are now approximately 70% complete and the first fix for electrical, plumbing and dry lining works are well underway. Brickwork has now also commenced.

Under Phase 2, piling for the new community centre foundations has been completed with pile caps and drainage works underway.

As a reminder, to ensure we mitigate some of the delay caused by the COVID-19 lockdown and the need to maintain social distancing on site, we have been granted extended working hours **(8am - 7pm, Monday to Friday and 8am - 5pm, Saturdays)** by Southwark Council's Environmental Protection Team.

*New community centre piling*

Please rest assured that we will only carry out works in the extended period when it is critically required and benefits the completion of the development.

We will try to minimise noise during late working periods and substitute percussive tools for quieter alternatives. If at any time this becomes an issue for you please let us know as soon as possible. Alternatively you can also contact Southwark Council's Noise & Nuisance Team on **0207 525 5777**.

If you have any queries regarding the works being undertaken, please contact the site team using the details provided on Page 1.

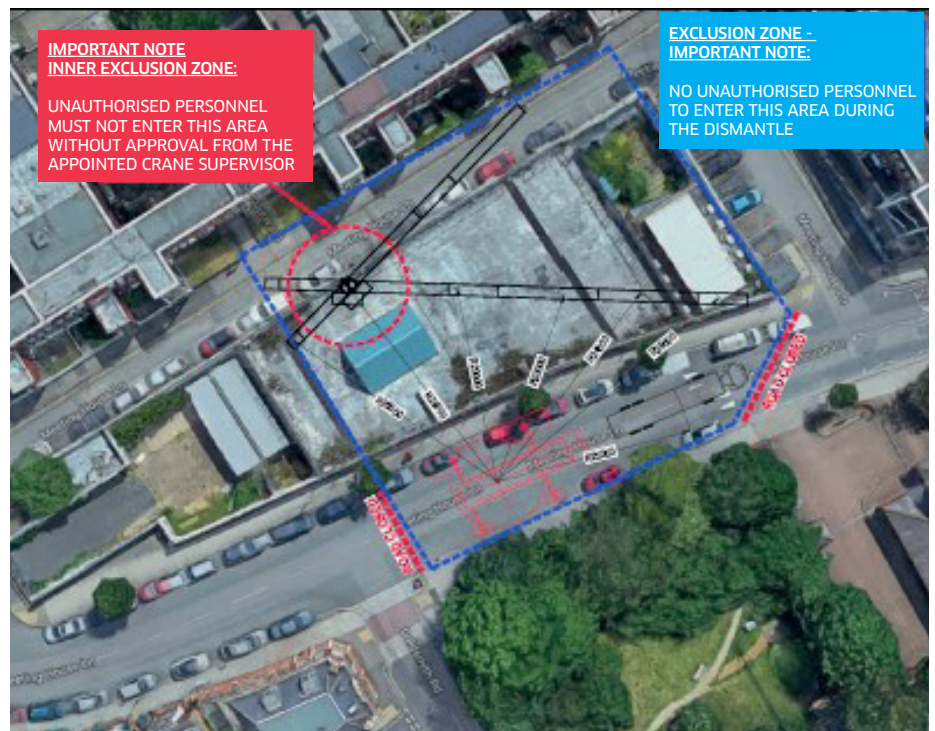

## Closure of Meeting House Lane

You will soon receive a letter regarding the closure of Meeting House Lane. We will be closing the road from 136 Meeting House Lane to the junction of Goldsmith Road on 8th October 2020 between 7am and 5pm. Traffic will be diverted accordingly.

This is to allow for the removal of welfare cabins currently on site.

Please be advised that depending on weather, this date may be pushed back but rest assured that you will be notified as soon as possible should this be the case.

We apologise for any inconvenience caused. If you have any questions, please contact Amina Mabifa on **07584 114 373** or via email at [amina.mabifa@engie.com](mailto:amina.mabifa@engie.com).

*Exact location of road closure*
