

WHADDON HOUSE - DOG KENNEL HILL ESTATE UPDATE

OCTOBER 2020

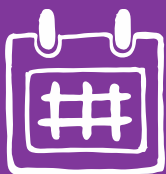

In July 2013 the council made a commitment to build 11,000 new council homes by 2043, with the first 2500 by 2021.

As part of this strategy the council are creating new homes from disused properties on estates across the borough which are known as “Hidden Homes”.

What is going to be built at Whaddon House

We have put in a planning application 20/AP/1964 to convert the disused nursery unit at 7 Whaddon House into a three bed, five person family home, with outside private amenity space. We have already received planning permission for a change of use of the building. When the home is completed it will be offered to the Dog Kennel Hill Estate tenants to bid first as part of our Local Lettings policy.

We will write to you when we receive a planning decision. You can also see up to date information on our website <https://www.southwark.gov.uk/housing/new-council-homes>
