Certificate

In our report dated 31 July 2018, we explained that we could not formally conclude the audit on that date until we had completed the work necessary to issue our Whole of Government Accounts (WGA) Component Assurance statement for the year ended 31 March 2018. We have now completed this work.

and

We had issued our report on the consistency of the pension fund financial statements included in the Pension Fund Annual Report of Southwark Pension Fund with the pension fund financial statements included in the Statement of Accounts. Our opinion has now been issued.

No matters have come to our attention since that date that would have a material impact on the financial statements on which we gave an unqualified opinion and conclusion on the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources.

We certify that we have completed the audit of the financial statements of the Authority in accordance with the requirements of the Local Audit and Accountability Act 2014 and the Code of Audit Practice issued by the National Audit Office on behalf of the Comptroller and Auditor General.
