Seavington House - HAVE YOUR SAY on Design Options

We are writing to you about our exciting proposals for new council homes at Seavington House.

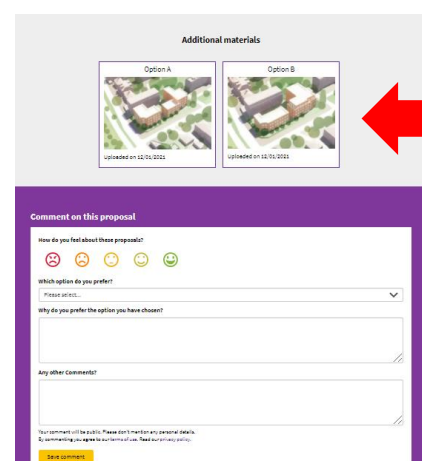

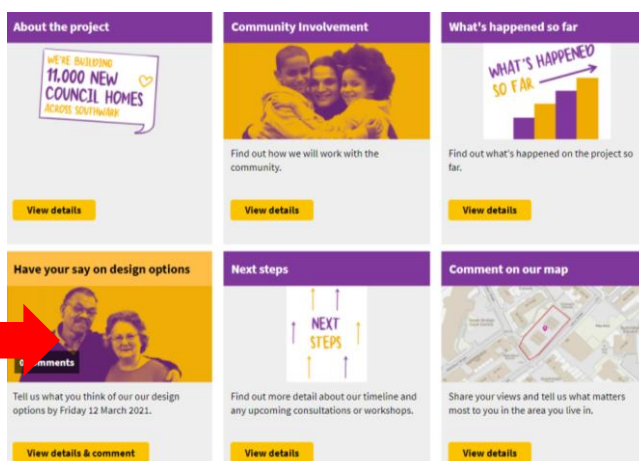

We last wrote to you in May 2020 to advise you that MacCreeanor Lavington Architects had been appointed to design new home proposals for the site.

The Design Team have developed two design options, which were presented to local ward Councillors and the Resident Project Group in December 2020.

We'd like to hear your views, we have created a consultation website linked below so that you can review the **two design options** for the site and comment on which you prefer.

Please visit: <https://seavingtonhouse.commonplace.is/>

You will find **Option A** and **Option B** attached on the 'Have your say' tile as pictured below please kindly leave your comments on the questionnaire at the bottom of the webpage by **Wednesday 10th March 2021**.
