Lomond Grove - HAVE YOUR SAY on Landscaping Proposals

We are writing to you about our exciting proposals for new council homes at Lomond Grove.

We want to hear your views. As part of the design development, the design team have been working on landscaping plans for the development site and part of the Elmington Estate.

A consultation website has been created (linked below) so that you can review and comment on the proposals. We've got a number of ideas but really want your feedback to help develop these, for example, potential locations for replanting trees or ideas for new play equipment.

Please visit: <https://lomondgrove.commonplace.is/>

You will find the **proposals** attached on the 'Have your say' tile as pictured below please kindly leave your comments on the questionnaire at the bottom of the webpage by **Sunday 28th February 2021**.

The image shows a screenshot of a consultation website interface. On the left, there is a grid of tiles with purple headers and white content. The tiles include: 'About the project' (with a graphic of '11,000 NEW COUNCIL HOMES'), 'Community Involvement' (with a photo of a family), 'What's happened so far' (with a bar chart), 'Comment on our map' (with a map), 'Have your say on Landscaping Proposals' (with a photo of a woman), 'Next steps' (with a 'NEXT STEPS' graphic), 'Document Library' (with a 'DOCUMENT LIBRARY' graphic), and 'Southwark's Great Estates programme' (with a photo of a park). A large red arrow points from the 'Have your say on Landscaping Proposals' tile towards the right. On the right, there is a larger section titled 'Additional materials' which contains a document titled 'Landscape & public realm opportunities' for the 'Site on Lomond Grove and part of the Elmington Estate'. A red arrow points from this document towards the bottom right. Below the 'Additional materials' section is a 'Comment on this proposal' form with a purple border. The form includes a smiley face rating scale, two questions with 'Yes' and 'No' buttons, and a text area for comments. A red arrow points from the right towards the 'Comment on this proposal' form.
