Dear Resident

Ann Moss Way Project - Meet the team event

I am pleased to be able to confirm that we are holding a resident event for you on **Thursday 19th November 2020 at 6.00pm – 7.30pm** to introduce you to the Ann Moss Way project team, who are working on New Homes project for Southwark Council.

The event would normally be a drop-in but due to the constraints of the covid-19 restrictions we are having a 90 minute session via the internet website Zoom to give all residents information on:

- Introduce the Project Team – Architects, Project Manager, Employer's Agent and Project Group
- Confirm the site and the design requirements – including how your Community Brief will be met within the architects' designs
- Confirm the process and the next steps

Please note we will not be taking minutes but we will be taking away any actions and queries, which will be reported back.

It would be helpful for us to know numbers, so RSVP to me at NHDTPHase5consultation@southwark.gov.uk by Wednesday 17 November 2020.

If you are unable to access the internet, please let me know by calling 020 7525 1937, we can send the information by post.
