Busy Week for the Old Kent Road Fire Station at Ledbury

This week the fire brigade from the Old Kent Road visited the Ledbury estate on five separate occasions.

Three of the visits were spot checks that they carry out to check on the buildings, the fire wardens, the Ledbury Team and to check the information that is provided to the LFB on the occupation of the individual flats is up to date. The officers from the Old Kent Road station who attended raised no issues from the checks that they undertook.

On Monday last week it was the turn of the Old Kent Road's Green Watch to use Bromyard House for training.

Finally, on Sunday there was a smoke alarm that went off in Skenfrith House, which was quickly checked out so that there was no need for an evacuation. The Fire Brigade attended to check the property.

Remember if the heat alarm goes off there is an automatic evacuation.

Weekly Fire Alarm Test Change

As it is Good Friday on 2 April, 2021, the weekly Fire Alarm test will be held on Thursday 1 April 2021 for that week only.

Ledbury Towers Ballot

The Residents' Ballot ends on Friday 26 March, 2021.

Households who are able to vote on the future of the Ledbury Towers are:

- Households who are council tenants who remain living permanently in the towers.
- Households who are council tenants who have moved from the Ledbury Towers and have the right to return.
- Resident leaseholder households.
- Non resident leaseholders.

The ballot is independent and is being carried out by Open Communities. If you have not received your ballot paper contact Neal Purvis, or the rest of the Open Communities team, on **0800 073 1051** and **enquiries@opencommunities.org**.

When will I find out the result? All residents will receive a newsletter in the week commencing Monday 5 April, 2021 to confirm the result and the next steps.

Old Kent Road Area Action Plan - Consultation Deadline Extended

The Old Kent Road Area Action Plan (AAP) is an innovative plan for regeneration and development in the Old Kent Road Opportunity Area.

The plan sets out an ambitious growth strategy for Old Kent Road and the surrounding area which was designated as an opportunity area by the London Plan in 2015. Over the next 20 years the opportunity area will be transformed, including the provision of new underground stations as part of the Bakerloo Line Extension, 20,000 new homes, including 7,000 affordable homes (including 5,000 social rented homes) and 10,000 additional jobs.

The AAP embeds the council's commitment to

ensure that the plan has a people focus to put local residents, communities and others at the heart of the regeneration.

The AAP is planned to be family friendly, with a strong commitment to improving the area for families and young people. It contains a strong commitment to tackling the climate emergency including achieving a net carbon zero AAP by 2030. Old Kent Road itself will be improved with a strategy for healthy streets, including safer crossing points, segregated bus lanes and cycle lanes and more tree planting.

The plan proposes a new masterplan for 18 key strategic development sites in five distinct sub areas. The plan is designed to integrate new and existing communities to deliver facilities, services, open spaces, housing, and employment that all local residents can benefit from.

Since the council consulted on the draft Old Kent Road AAP in December 2017, we have approved close to 9,000 additional homes. We have 7 schemes and 640 homes on site at the moment, and approximately 160 homes completed. However there is still scope to influence and direct development, so we welcome your comments on the latest draft AAP.

The Old Kent Road AAP has been through a number of consultations, and the current version of the plan is the December 2020 draft. Consultation on this version began on 11 January and has been extended until 10 May 2021.

Further information can be found at oldkentroad.org.uk. If you have any questions on this draft, email planningpolicy@southwark.gov.uk

Help us Keep Southwark Safe

If you think you **have** any of the COVID-19 symptoms you and anyone living with you should self isolate immediately and book a test by calling 119 or visiting

www.nhs.uk/coronavirus.

Symptoms include:

- A high temperature
- A new, continuous cough
- A loss or change to your sense of taste or smell

If you have symptoms you and anyone you live with **must** stay at home and self-isolate until you get your results. It is now a legal requirement to self-isolate if you've had a positive test or if you've been told to self-isolate by the national test and trace service.

If you think self-isolating could be difficult for any reason support is available. Visit the council's website for more information www.southwark.gov.uk/coronavirus.

Local Police sessions

PC Imogen Thomas and PCSO Felix Adeyanju make up the local Old Kent Road Ward Police team. Their weekly drop-in sessions at the Ledbury TRA Hall are suspended for now.

They have requested that any crime must be reported if it is an emergency to **999**, and for non-emergencies to **101**.

The team can also be contacted by emailing oldkentroad.snt@met.police.uk or by telephone on **020 8721 2436**, or they can be tweeted at [@MPSOldkentRoad](https://twitter.com/MPSOldkentRoad)

Keep your distance within the towers!

Please keep to the following rules when using the shared areas in the towers:

- Only one family should be in a lift at one

time, so if you call the lift and someone is in it, do not get in. Wait for the lift to come to your floor again

- Keep behind the taped area in the lobby to remain two metres from the wardens
- When using the stairs if you hear someone else do not pass by them on the stairs, use the door to the landings to allow them to pass by to keep two metres from them.

Whilst we appreciate this may be frustrating for some residents it is for the safety and wellbeing of everyone and it is important to keep down the spread of the virus, support our NHS and save lives.

Housing update

All residents in the tower blocks will have to leave their homes for a period while work is carried out, regardless of which future option is agreed upon. All permanent tenants will have the right to return to the estate.

Please note that properties are not allocated according to the time you bid. They are allocated by our colleagues in the allocations team according to Southwark Council's lettings policies.

Ledbury Towers permanent tenants are in Band One, and the properties are allocated by how many stars each applicant has, then by application date and finally by your tenancy date.

If you need help with bidding or you think your application can attract stars because you or someone else in your household is working or carrying out voluntary work for more than 16 hours a week, do not forget to come in and see the Ledbury Team for help.

We have 182 permanent empty homes as many tenanted households have moved into new homes, and 15 leaseholders sold their properties back to the council. Of course those tenants who have moved retain the right to return.

There have been 203 properties refused by

tenants who have had a viewing of a new home. Many of these have already received further offers and have already moved into their new homes. No permanent tenant from the Ledbury Towers is suspended from bidding if a property is refused.

Warning about bottled gas

It remains vitally important residents do not bring any bottled gas or gas appliances into the tower blocks; we have been advised that the buildings will not withstand the force of a gas explosion.

Fire wardens will also be monitoring to check that no gas canisters are brought into the buildings.

Reminder on oxygen cylinders

One of the issues that could jeopardise safety is the use of oxygen cylinders in the blocks. This means that no visitors to the blocks will be able to come in if they require an oxygen cylinder. From the home visits we have carried out it is clear that, at present, no current resident has the need to use an oxygen cylinder.

However no one knows what their health will be in the future. If an issue arises with your health that means that you will need to have use of an oxygen cylinder, please speak to your doctor and then let your Resident Service Officer (whose contact details are in this newsletter) know immediately so we can work with you to ensure your health needs are catered for.

Non-resident leaseholders are being asked to make sure their tenants in the block are also aware of this issue.

Independent Tenant and Leaseholder Advisor

The Tenants and Residents' Association and the Ledbury Action Group agreed the

appointment of Neal Purvis from Open Communities as the Independent Tenant and Leaseholder Advisor for the Ledbury Estate.

Neal Purvis

Whilst non-essential contact is halted, you can contact Neal, or the rest of the Open Communities team, on **0800 073 1051**.
