Residents' Newsletter

Welcome to your latest newsletter

ENGIE is working in partnership with Southwark Council to build new council homes at Rye Hill Park. The project is due to complete in summer 2022.

Reduce dig and slab adjacent Rye Hill Park

Project update

What we've completed

Since our previous newsletter we have completed the following:

- Removal of tree stumps
- Demolition of the garages
- Reduction of the existing wall
- Relocation of the site welfare facilities and pedestrian gate
- Additional testing to improve the carbon footprint of our scheme

What we're doing now and next

- Drainage works adjacent 2-32 Rye Hill Park
- Breaking out of the concrete slab adjacent 2-32 Rye Hill Park
- We will be installing a cross over on Rye Hill Park to allow us access to the upper section of the site
- Sheet Piling
- Alterations to the existing site hoarding which require dismantling and re-erection
- Installation of piling mat
- Oasis unit to be moved adjacent to 2-32 Rye Hill Park

Please do not park on the new yellow lines as it is affecting our deliveries. We understand this may be frustrating as we do not have deliveries all day everyday however on the occasions when deliveries do arrive we struggle to get the vehicles on site.

If you have any queries regarding the works being undertaken, please contact Mark on **07971 792 258**.

Happy Easter!

As we approach the Easter holiday we'd like to wish you a happy Easter from everyone at ENGIE. See the image below for those of you that have little ones.

HOPPY EASTER!

ENGIE is also a **multi-award winning considerate constructor** and we pride ourselves on being an Associate Member of the Considerate Constructors Scheme (CCS) which helps to improve the image of the construction industry.

As part of our ongoing commitment to the objectives of the CCS **we ensure the highest levels of safety are maintained across our sites.** Please explain to your children how construction sites can be dangerous and should not be played on at any time.
