- **Peterchurch House**

Thursday 17 June 2021 - Afternoon
- **Skenfrith House**
Friday 18 June 2021 - Morning

Fire Brigade Spot Check

Green Watch from the Old Kent Road Fire Station carried out one of their unannounced spot checks to the three occupied Ladbury Towers on 3 June 2021. No issues were raised from their visit.

Ladbury Towers Door Entry Systems

This week the work to reinstate the door entry systems to the towers has concentrated on switching the systems back on and sorting out any remaining issues with the door entry system across all three towers.

Once the work is completed the Ladbury Team will then sort out service charge refunds.

Architects Attend Resident Project Group Meeting

Architects KCA attended the recent Ladbury Resident Project Group and discussed a draft timetable covering the next eight months. It will involve four exhibitions developing and building on the initial proposals from your feedback leading to a formal planning application in January 2022. You may recall that the works have to start with the demolition of Bromyard House in September 2022.

The first exhibition on the initial proposals from KCA will take place in July and KCA will bring forward proposals that both include and exclude the area around the existing TRA hall. At this stage we will survey residents on the estate and the former tenants who have the right to return as to whether they want the area around the TRA to be included in the developed to build new homes with a new TRA being built.

The architects also gave a word of caution over the Bakerloo Line extension, as the planned route has been agreed, which runs right under the part of the Ladbury Estate that borders on to the Old Kent Road. This means that building heights in this area would be restricted with taller the buildings being provided in other areas within the red line boundary.

When the exhibition dates are set, we will let you know so that you can have your say.

Bromyard House Fire Brigade Training

Firefighters from various South East London fire stations will be using Bromyard House for training exercises 14 June 2021, 16 June 2021 and 30 June 2021.

Livesey Exchange

The Livesey Exchange, currently based in the garages below the podium on the Ledbury Estate, is holding a consultation event on its new home to be built opposite PC World on the Old Kent Road.

The consultation will take place on 25, 26 and 27 June 2021 in the groups's current home

under the podium, accessed via Bird in Bush Road.

Step 3 restrictions

From Monday 17 May, 2021 England moved into Step 3 of the Government's Roadmap out of lockdown.

This means:

- Groups of up to 30 can meet outdoors
- Rule of 6 indoors
- Indoor hospitality opens (e.g. pubs and restaurants)
- Indoor entertainment opens (e.g. cinemas)
- Increasing numbers for life events like weddings and removal of restrictions for funerals

It remains essential that we take these steps carefully and sensibly. If you plan to travel do so safely and plan ahead. You should continue to wear a mask where required (unless exempt), wash hands and maintain social distancing when out in public.

To see how this will impact council services please go to www.southwark.gov.uk/roadmap for more information.

For more information on the current restrictions see the government website at www.gov.uk/coronavirus or you can see what

council services are affected at www.southwark.gov.uk/coronavirus.

Help us Keep Southwark Safe

If you think, you **have** any of the COVID-19 symptoms you and anyone living with you should self-isolate immediately and book a test by calling 119 or visiting www.nhs.uk/coronavirus.

Symptoms include:

- A high temperature
- A new, continuous cough
- A loss or change to your sense of taste or smell

If you have symptoms, you and anyone you live with **must** stay at home and self-isolate until you get your results. It is now a legal requirement to self-isolate if you have had a positive test or if you are told to self-isolate by the national test and trace service.

If you think self-isolating could be difficult for any reason support is available. Visit the council's website for more information www.southwark.gov.uk/coronavirus.

Keep testing

One in three people could be carrying the COVID-19 virus without showing any symptoms. As part of coming out of lockdown safely everyone should be getting tested regularly – even if they don't have symptoms. Home tests are now available for FREE to every household in the UK.

There are a number of ways you can get a test:

- There are now 45 community pharmacies in Southwark offering home test collection, including 10 who offer assisted testing. The map below shows all the current provision: <https://maps.test-and-trace.nhs.uk/>
- Tests can also be collected from 9 Southwark libraries – you can find the list at www.southwark.gov.uk/health-and-wellbeing/coronavirus/get-a-free-covid-19-test/book-a-test-if-you-don-t-have-symptoms/community-collect
- Home delivery is available for home testing – to apply go to www.gov.uk/order-coronavirus-rapid-lateral-flow-tests
- There are two mass testing sites at London Bridge and Peckham
 - London Bridge Station, St Thomas Street Exit, SE1 9QU
 - 21-23 Bournemouth Road, Peckham, London, SE15 4UJ

Tests can also be booked at www.southwark.gov.uk/health-and-wellbeing/coronavirus/get-a-free-covid-19-test/book-a-test-if-you-don-t-have-symptoms/mass-testing?

Housing update

All residents in the tower blocks will have to leave their homes while their blocks are demolished and the new homes are built. All permanent tenants have the right to return to the estate.

Please note that properties are not allocated according to the time you bid. They are allocated by our colleagues in the allocations team according to Southwark Council's lettings policies. Ledbury Towers permanent tenants are in Band One, and the properties are allocated by how many stars each applicant has, then by application date and finally by your tenancy date.

If you need help with bidding or you think your application can attract stars because you or someone else in your household is working or carrying out voluntary work for more than 16 hours a week, do not forget to come in and see the Ledbury Team for help.

We have 183 permanent empty homes as many tenanted households have moved into new homes, and 16 leaseholders sold their properties back to the council. Of course those tenants who have moved retain the right to return.

205 properties were initially refused by tenants who had viewings. However many of these have already received further offers and many residents have already moved into their new homes. No permanent tenant from the Ledbury Towers will be suspended from bidding if they choose to refuse a property.

Warning about bottled gas

It remains vitally important residents do not bring any bottled gas or gas appliances into the tower blocks as we have been advised that the buildings will not withstand the force of a gas explosion.

Fire wardens will also be monitoring to check that no gas canisters are brought into the buildings.

Reminder on oxygen cylinders

One of the issues that could jeopardise safety is the use of oxygen cylinders in the blocks. This

means that no visitors to the blocks will be able to come in if they require an oxygen cylinder. From the home visits we have carried out it is clear that, at present, no current resident has the need to use an oxygen cylinder.

However no one knows what their health will be in the future. If an issue arises with your health that means that you will need to have use of an oxygen cylinder, please speak to your doctor and then let your Resident Service Officer (whose contact details are in this newsletter) know immediately so we can work with you to ensure your health needs are catered for.

Non-resident leaseholders are being asked to make sure their tenants in the block are also aware of this issue.
