Dear Residents

### **Ledbury Towers – Oxygen Cylinders**

By now I hope you would have all read the summary of the Arup Report that was hand delivered to your homes yesterday.

As you will have read from the report, the good news is that your homes are safe. However one of the issues that could jeopardise safety is the use of oxygen cylinders in the block. This means that no visitors to the block will be able to come in if they require an oxygen cylinder.

From the home visits we have carried out it is clear that, at present, no current resident has the need to use an oxygen cylinder. However no one knows what their health will be in the future. If an issue arises with your health that means that you will need to have use of an oxygen cylinder, please speak to your doctor and then let your Resident Service Officer know immediately so we can work with you to ensure your health needs are catered for.

The Resident Services Officers are:

- Bromyard House - Hema Vashi – Tel: 07852 766058
- Peterchurch House - Modupe Somoye – Tel: 07903 281390
- Sarnsfield House - Sharon Burrell – Tel: 07432 738774
- Skenfrith House - Sabi Sabdat (Sabi) Ibn-Ibrahim – Tel: 07984 144224

**So if you need to use an oxygen cylinder in the future, you must let us know, as they can not be used in the block, and we can then work with you so that your health needs are urgently addressed.**

Yours faithfully

Mike Tyrrell  
**Director of Ledbury Estate**
