Statement of Statutory Compliance

The Charging Schedule has been approved and published in accordance with the Community Infrastructure Levy Regulations 2010 (as amended) and Part 11 of the Planning Act 2008 as amended.

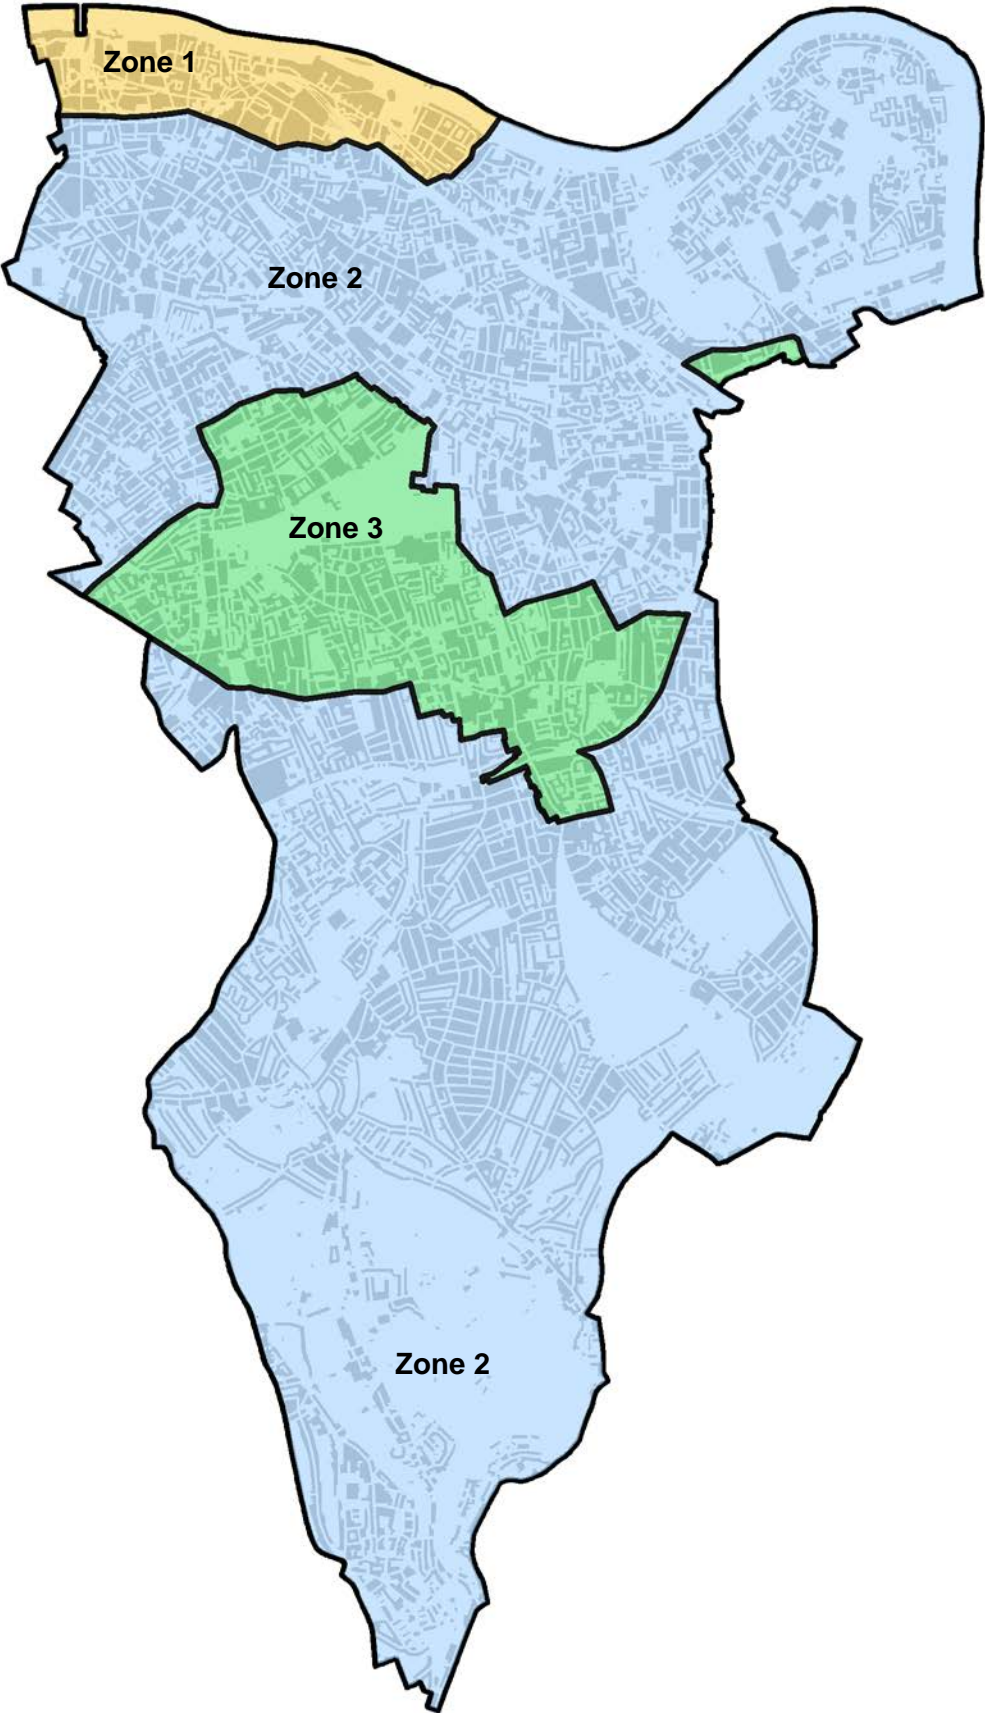

In setting the levy rates, the Council has struck an appropriate balance between;

- a) the desirability of funding from CIL in whole or in part the estimated cost of infrastructure required to support the development of its area, taking into account other actual and expected sources of funding, and
- b) the potential effects, taken as a whole, of the imposition of CIL on the economic viability of development across its area.

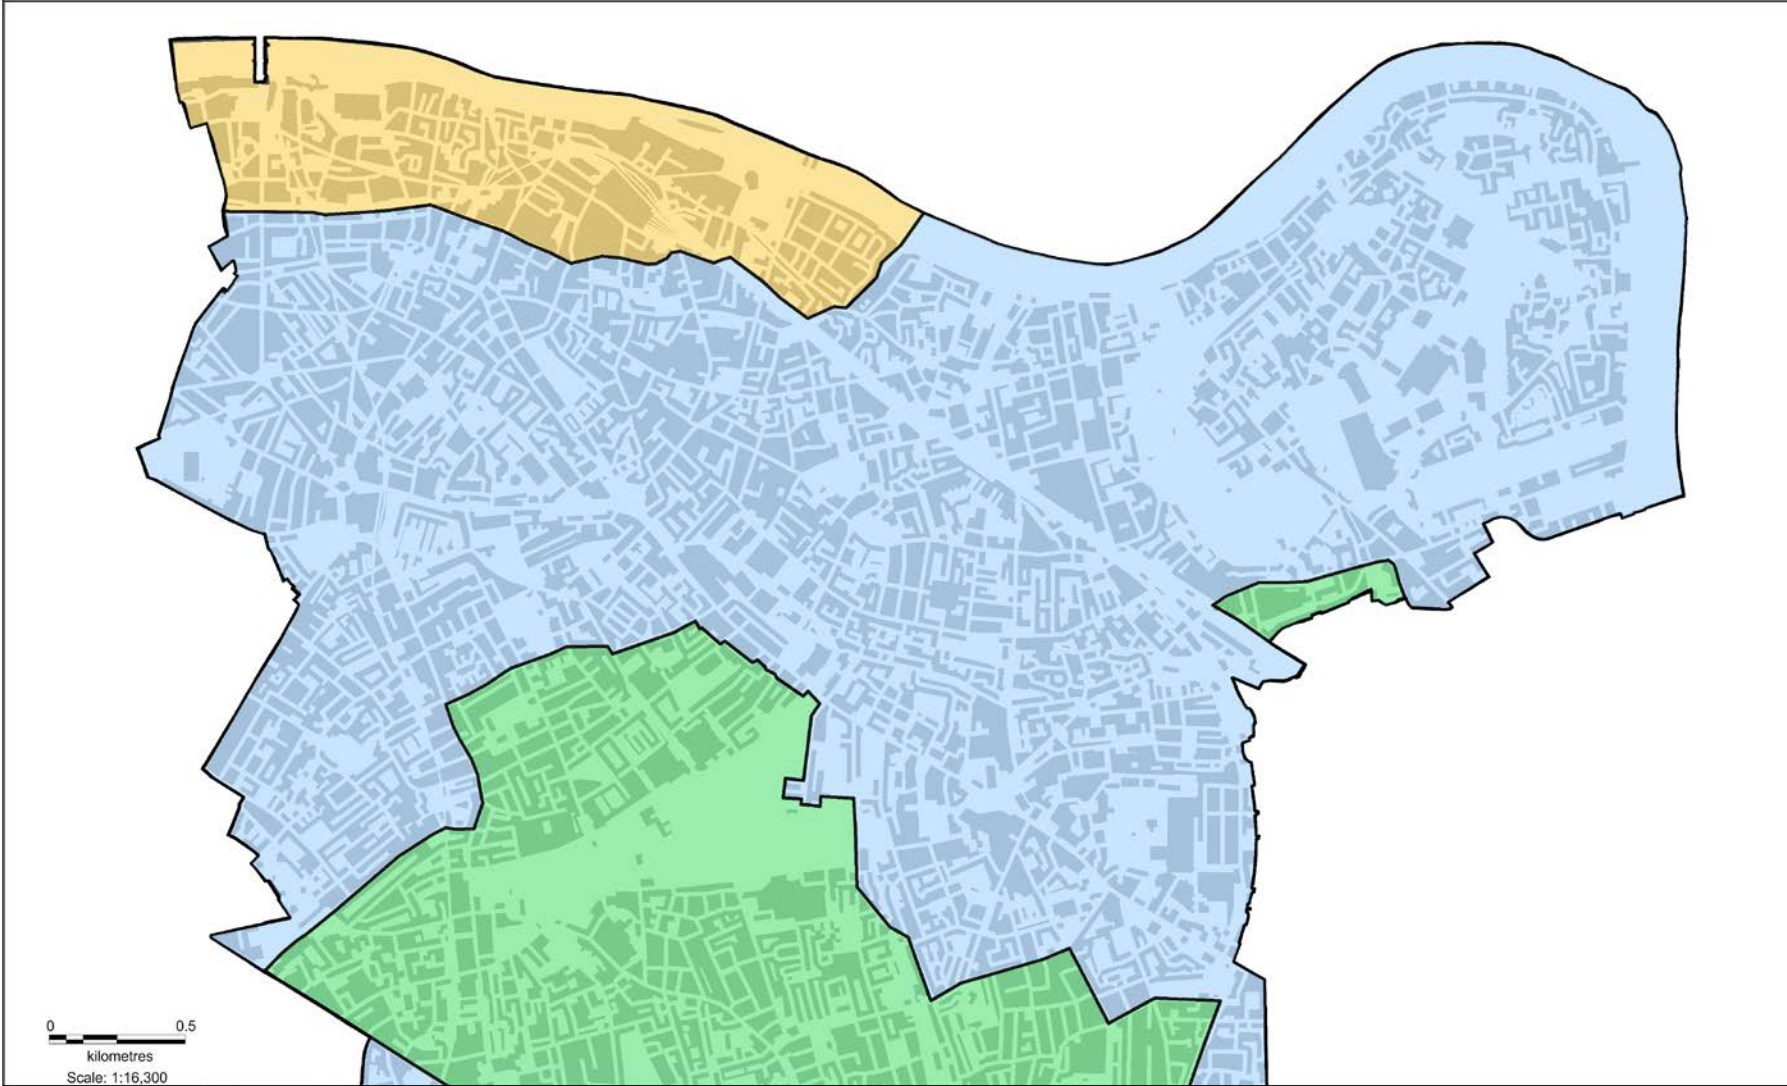

This Charging Schedule was approved by the Council on 29 November 2017.

This Charging Schedule will come into effect on 1 December 2017.
