## Library Street redevelopments

*The London Borough of Southwark (Parking places) (CPZ 'C2') (No. \*) Order 201\**

### Library Street – St. George's ward

Planning permission (14/AP/1862) was granted on 11 March 2015 for the redevelopment of 128-150 Blackfriars Road, in the London Borough of Southwark. The premises provide a mixed use scheme comprised of 336 residential units (Class C3), 2,502sqm of office (Class B1), 1,200sqm of retail (Class A1-A4), 528sqm of office or retail (Class B1 or Class A1-A4) and 154sqm of ancillary residential floor space (residents gym), 79 basement car parking spaces together with access, hard and soft landscaping and other associated works incidental to the development.

A new inset loading bay will be introduced on the west-side of Library Street, in which vehicles may load or unload between these times: Monday – Saturday between the hours of 7 am and 7 pm (max 40 minutes stay, and no return within 2 hours).

To accommodate the new inset loading bay, the existing 'pay' parking bays (approx. space for 6 vehicles) require relocation from the western side of Library Street to the eastern side.

Alongside the change to parking bay locations, the existing single yellow lines are to be replaced by double yellow lines restricting waiting 'at any time'.

This arrangement will prevent traffic back-up, providing a smoother route for vehicles to travel along Library Street with reduced risk of vehicle conflict between north and southbound traffic; and with no loss of parking bays.
