Parking and healthier streets study

Consultation Questionnaire

Have your say about parking and healthier street proposals by Thursday 31 January 2019

We would like to hear your views on the proposal to introduce parking controls and street improvements to your area. Please read the background document and consider the feasibility drawings before completing the questionnaire.

The quickest way to respond is online at www.southwark.gov.uk/parkingprojects

Postal responses should be sent to the following address:

FREEPOST RSCT-BHXK-SCAJ, Highways Division (Transport Projects) Floor 3, Hub 2, Southwark Council, PO BOX 64529, London SE1P 5LX

SECTION A — About you

To enable your comments to be matched to your street and to avoid any possible duplication of responses we need your full name and address.

Privacy statement:

Southwark Council uses your personal data to record your response to the consultation. Section 1 of the Localism Act 2011 requires us to do this. The council does not require your permission to process your data and failure to tell us your information may mean that we are unable to process your response. Your personal information will only be used by our highways team, and will be destroyed after four years.

If you are concerned about how the council uses your personal data or would like to enquire about the personal information we hold on you, please contact us via dpo@southwark.gov.uk or on 020 7525 5000. More information about your rights is available on our website, or via the Information Commissioner (www.ico.org.uk).

1. Are you a resident/business/organisation or do you visit the area?

- Resident Business (please specify) _____
- Visitor to the area Organisation (please specify) _____

Name (required)

House / flat number and street name (required)

Postcode (required) Email (optional)

SECTION B — Your experience of using the street

2. How do you usually travel in the area? (Tick all that apply)

- On foot
- On foot with a pushchair/buggy
- Wheelchair
- Bicycle/other cycle
- Motorcycle
- Bus
- Car or other motor vehicle
- Other (please specify) _____

3. Do you or your visitors need more places to stop and rest (e.g. seats) when walking in the area?

- Yes
- No

4. How many (if any) motor vehicles does your household/business regularly park on the street?

- None (don't own a vehicle)
- None (park off-street)
- One
- Two or more

5. What time of day do you or your visitors have difficulty parking motor vehicles in the street?

- Never
- You
- Your visitor
- Monday-Friday, daytime
- You
- Your visitor
- Monday-Friday, evening
- You
- Your visitor
- Saturday
- You
- Your visitor
- Sunday
- You
- Your visitor

6. Do you or your visitors ever have difficulty parking a cycle in the area?

- Yes
- No

SECTION C — Share your views on the parking proposals

7. Do you want a parking zone to be introduced in your street? (This is the key question that helps decide whether or not parking controls are introduced)

- Yes
- No
- Undecided

8. If you answered "No" or "Undecided" to question 4, would you change your mind if a parking zone was to be proposed in only part of the study area? (i.e. if a neighbouring road was in favour, would you then want parking controls to be introduced in your street?)

- Yes
- No
- Undecided

Parking controls can cause displacement. A parking zone in a street next to yours is likely to increase demand for a space in your street.

9. If you answered "No" or "Undecided" to question 4 of this section, please can you tell us why? (Please tick all that apply)

- There is not a parking problem
- The cost of parking permits
- Parking controls do not guarantee me a parking space outside my property
- Too much additional street clutter (road markings and signs)
- There is a parking problem, but a parking zone will not fix it
- Other (please specify) _____

10. If a parking zone was introduced, which of the following hours would you like the parking zone to operate?

- All day (for example 8.30am to 6.30pm)
- Part day (for example 10am to 2pm)
- Two hours during the day (e.g 11am to 1pm)
- Other (please specify) _____

11. If a parking zone was introduced, which of the following days would you like the parking zone to operate?

- Monday to Friday
- Monday to Saturday
- Other (please specify) _____

12. We propose to extend the short stay bays around the high streets, retaining the existing first half-hour free parking with additional time as paid. What would you like the maximum stay to be?

- Half hour (no change)
- One hour
- Two hour
- Three hour
- Other (please specify) _____

13. Do you have suggestions for how we can improve the parking layout (position and type of bays) in the feasibility design?

SECTION D — Share your views on the healthier streets proposals

Please refer to feasibility layout

14. Do you agree with the locations of 'Parklets'?

'Parklets' provide communal seating and planting in place of car parking spaces and can be designed and maintained by the community or by the council.
