Ref: Rochester Estate Drop-in Event

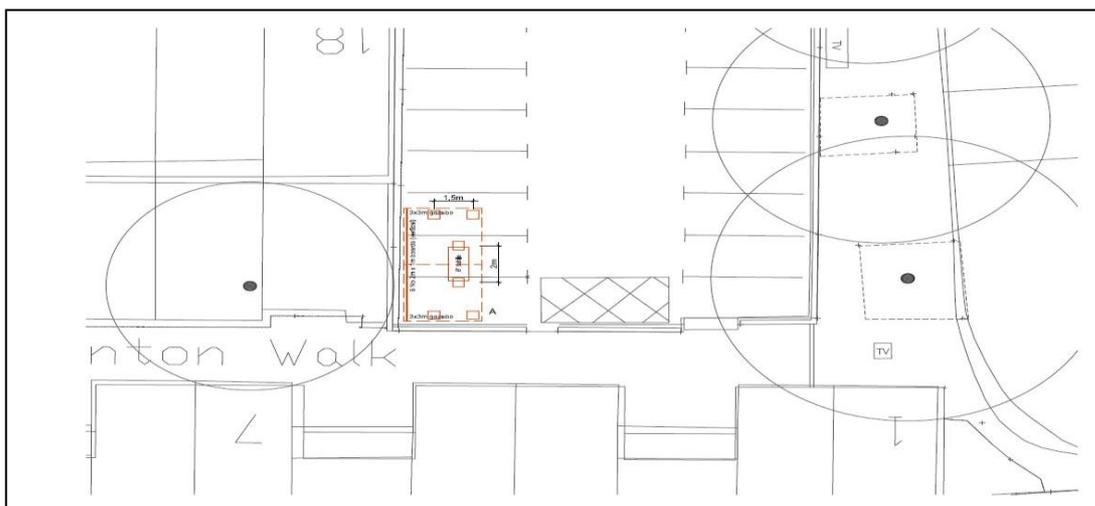

Dear Resident,

RE: Rochester Estate drop-in event – Saturday 27th September, 10:30am-12:30pm

As you may be aware, we are proposing to develop the carpark on Rochester estate to build 3 new council homes for social rent as well as provide some estate improvements.

As part of our development process we seek to look at ways to engage the local community in as many aspects of the scheme throughout the design and development of new council homes, and ensure that there are plenty of opportunities for you to have your say.

We will therefore be holding a resident drop in event on the Rochester carpark on **Saturday 27th November from 10:30am – 12:30pm**, as indicated on the map below;

ACROSS SOUTHWARK

This event will provide you with the opportunity to meet the team in person. We will update you on the emerging designs and proposed estate improvements, and you will have the opportunity to ask questions and provide your feedback.

If you usually park within the 3 bays closest to Brinton Walk then we would appreciate it if these bays could be left clear from 09:30am – 1:00pm in order that we can erect our tables and chairs for the duration of the event. We thank you in advance for your co-operation.

We look forward to meeting you at the event.

Kind regards

M Hill
