## Welcome

Welcome to the June 2019 edition of the Tustin Estate monthly newsletter from Southwark Council.

## Public meeting for residents & businesses

Last month we told you that we want to talk with residents on how we can improve your homes and make the wider estate a place to be proud of.

This week we held our first meeting with those residents who have volunteered to serve on the Resident Project Group. At the meeting we discussed with residents how we can get as many people as possible involved in making the estate a place to be proud of. We know that not everybody has time to go to regular meetings; but we still want to make sure that everyone has their say on the best ways to improve the estate, build new homes, and make sure there are excellent facilities for local people as the local area grows and changes. As part of that over the next year whilst we work on these ideas we will be holding events at which we want to meet with as many of you as possible.

Therefore on **Wednesday 26 June 2019 at 7pm** we will be holding a public meeting at Pilgrims Way Primary School, with Cllr Kieron Williams, the council's Cabinet Member for Housing & Modernisation, and Michael Scorer the Strategic Director for Housing & Modernisation to talk to you about the council's plans to work with residents over the coming months to develop options for improving the estate.

As we know some people do not like to raise issues at public meetings, we are also arranging two drop in sessions so that residents can come and talk on a one to one basis to us as follows:

Tuesday 2 July 2019 – 4 to 7pm at Pilgrims Way Primary School

Thursday 11 July 2019 – 2 to 5pm at Pilgrims Way Primary School

Please do try to come along to one of the events. If you can't make them, but have any questions, please do not hesitate to contact us, by emailing Mike Tyrrell at [mike.tyrrell@southwark.gov.uk](mailto:mike.tyrrell@southwark.gov.uk).

## Community Engagement

We have asked Neal Purvis, who has worked with residents on other estates as an Independent Tenant and Leaseholder Advisor, to get involved with this project. You can speak to him, or council officers, if you have any questions.

Neal can be contacted Freephone 0800 073 1051 or at [neal.purvis1@btinternet.com](mailto:neal.purvis1@btinternet.com)

We will also have a project team working with the community on any plans for the estate, led by Mike Tyrrell who has been working closely with residents at the Ledbury Estate over the last few years. You can email Mike at [mike.tyrrell@southwark.gov.uk](mailto:mike.tyrrell@southwark.gov.uk) or call him on 020 7732 2886.
