Bromyard House

The foundations of Bromyard House are proving much more difficult to investigate than we first thought.

We reported two weeks ago that work had started to drill down into the foundations inside the block at five separate locations, so that Arup can complete their investigations.

In the first week, the drill used could only deal with the top layer. The heavier “manual auger” drill which we brought in last week still could not complete the works.

This week a new drill is being used and although slow, it is making progress, as you can see from the picture above.

The works inside the flats on various levels at Bromyard House have continued. This involves removing the floor screed (the top layer of the floor) and plasterwork to expose the original panels and the existing joints.

This work allows Arup, the structural engineers, to complete their report, which is now due in August.

At the Ledbury Resident Project Group this week it was agreed that the vacant flats in Peterchurch House would start to be stripped out.

Concern was raised that this may be a waste as the results of the pilot works at Bromyard House are not known. It was explained that it would not be a waste, as regardless of the outcome of the Arup investigations, the flats would need to be stripped.

Ledbury TRA Annual General Meeting

The Ledbury TRA will be holding its Annual General meeting on Monday 8 July 2019 at 7pm. It is an open meeting for all residents of the estate.

The speakers will be:

- Cllr Kieron Williams – Cabinet Member for Housing and Modernisation, who will be speaking at the end of the meeting as he will be coming from another meeting at the Town Hall.
- Mike Tyrrell – The Director for Ledbury will be giving an update on the Ledbury Towers.
- Adam Dannatt – The Head of Southwark Building Services who has been asked to come to speak about plumbing repairs.

The Ledbury TRA is looking forward to seeing as many of you as possible at the meeting.

Ledbury Summer Fete

The Ledbury TRA will be holding its annual summer fete on Saturday 3 August, 2019.

They need donations for the tombola. If you have anything to donate, please drop it off to the Ledbury Team at the TRA Hall.

It would be helpful to the council that if you are reporting a repair by email you could include a photograph of what is wrong to help us work out if the problem is a defect or a repair.

Reminder on Oxygen Cylinders

One of the issues that could jeopardise safety is the use of oxygen cylinders in the blocks. This means that no visitors to the blocks will be able to come in if they require an oxygen cylinder.

From the home visits we have carried out it is clear that, at present, no current resident has

the need to use an oxygen cylinder.

However no one knows what their health will be in the future. If an issue arises with your health that means that you will need to have use of an oxygen cylinder, please speak to your doctor and then let your Resident Service Officer (whose contact details are in this newsletter) know immediately so we can work with you to ensure your health needs are catered for.

Non-resident leaseholders are being asked to make sure their tenants in the block are also aware of this issue.

Warning re bottled gas

It remains vitally important residents do not bring any bottled gas or gas appliances into the tower blocks; we have been advised that the buildings will not withstand the force of a gas explosion.

Fire wardens will also be monitoring to check that no gas canisters are brought into the buildings.

Local Police Sessions

PC Twinkal Sharma, PC Adrian Moroz and PCSO Felix Adeyanju will be holding hour-long contact sessions in the Ledbury TRA Hall so residents can meet with the local Old Kent Road Ward Police team.

Housing Updates

All residents in the tower blocks will have to leave their homes for a period whilst major strengthening and refurbishment works are carried out. For those that do not want to leave the Estate, they will have the opportunity to move into one of the empty homes in the Towers temporarily while their blocks are completed. For those who want to move from the Towers, they will continue to have priority to move.

All tenants will have the right to return to the estate.

Please note that properties are not allocated according to the time you bid. They are allocated by our colleagues in the allocations team according to Southwark Council's lettings policies.

Ledbury Towers tenants are in Band One, and the properties are allocated by how many stars each applicant has, then by application date and finally by your tenancy date.

When you bid, your position may change depending on other applicants' stars, application date or tenancy date.

If you need help with bidding or you think your application can attract stars because you or someone else in your household is working or carrying out voluntary work for more than 16 hours a week, do not forget to come in and see the Ledbury Team for help.

There are **177 properties now empty** in the Towers, following the moves of 164 tenanted households in to new homes, and 13 leaseholders selling their properties back to the council. Of course those tenants who have moved retain the right to return.

0 tenants have been made an offer of accommodation that they have bid for and they are awaiting moving dates to move into their new homes. **No tenant is waiting to attend a viewing.**

There have been **193 properties refused** by tenants who have had a viewing of a new home. Many of these have already received further offers and have already moved into their new homes. No one from the Ledbury Towers is suspended from bidding if a property is refused.
